JOSEPHINE

After 8-year-old Josephine accidentally witnesses a crime in Golden Gate Park, she acts out in search of a way to regain control of her safety, while adults are helpless to console her.

WICKER

An ostracized fisherwoman commissions the local basketmaker to weave her a husband, but when her wicker creation proves unexpectedly extraordinary, his presence ignites jealousy and upheaval that threatens their quiet village.

GEORGE MICHAEL: THE FAITH TOUR

A triumph in archival filmmaking, this restored concert film from the 1988 Faith Tour transforms footage assembled from a 14-camera shoot capturing an extraordinary cinematic event and audio experience.

END OF THE CENTURY: THE STORY OF THE RAMONES (4K)

This documentary about the highly influential and polarizing New York punk rock band chronicles the band's history from their formation in the early 1970s to their 1996 breakup and the deaths of two of the four original members. Newly restored in 4K.

BITTER CHRISTMAS

A story within a story by Pedro Almodóvar. It follows an overworked woman who doesn't give herself time to mourn her mother's death. After another crisis, she embarks on an island getaway with a friend as the story of these characters run parallel to that of a current-day screenwriter and film director, exploring how life and fiction are inseparably linked.

Box Office Hours: Wednesday – Saturday: 12P to 6P. Sunday: 1P to 5P and one hour before ticketed events.
